28 June 2019

Tasmanian Motorcycle Council met with the Hon Jeremy Rockliff Minister for Infrastructure, 27<sup>th</sup> June 2019

Productive discussion was had on issues of concern to the motorcycling community.

### Topics of discussion

- Raising speed limit for novice riders in line with novice car drivers as the new Motorcycle training has delivered the desired results, less injuries and safer riders also having novice riders on our highways travelling at 80kph is unsafe
- Unlicensed riders claiming MAIB, TMC doesn't agree that those claims should be added onto our total.
- TMC's view is there should be only ONE pool of money that is collected by MAIB for all vehicle Claims, we have NO FUALT third party insurance then why is the collected insurance money put into separate pools
- Funding for 2 members of TMC to attend Road Auditors Course.
- General funding of the TMC
- AJL including subsidy for participants of rider training.
